EXPERIENCE M/Y VOLO

Miami, Bahamas & Caribbean

The new MCY 70 perfectly embodies Monte Carlo Yachts' values, and the Nuvolari Lenard design emphasizes the yacht's role as a home-away-from-home with particular attention given to wider interior volumes and enlarged exterior entertainment areas where shaped bulwarks enhance the quality of light and space across the main deck and new portholes and windows create an even more immersive relationship with the ocean and the outdoors.
