EXPERIENCE M/Y CERULEAN

Miami, Bahamas & Caribbean

Azimut 68 is the epitome of a true “world yacht”. The starting point for its design was a comprehensive analysis of all the various ways owners and guests pass their time on board. M/Y Cerulean features plenty of cabins and lounge space for day and term cruises. Its galley is located in a discreet location, but opens directly into the dining area, which can also be converted to a second lounge zone.
