Tesoro T38 Power Cat

## EXPERIENCE M/Y ZEST

*Miami, Bahamas & Caribbean*

The new T38 Power Cat starts a new concept of the Power Cat division inside Tesoro Yachts range in addition to the walkaround models. This new model has been created to offer extremely comfortable spaces to enjoy on a 38-foot boat the same features and options you can find on bigger yachts. Spaces and volumes are perfectly designed to optimize each corner of the boat, from the living area to the accommodation spaces. For the exteriors, large sundecks and lounge areas on the aft and foredeck will be the perfect terraces to enjoy privileged contact with the sea.
