EXPERIENCE M/Y STEEL GROVE

West Palm Beach, Bahamas & Caribbean

The 60 Hatteras M/Y Steel Grove is the ideal charter for both avid anglers and those seeking a leisurely cruise.

This Hatteras GT60 combines top-tier fishing capabilities with luxurious accommodations, featuring a 4-stateroom, 3-head layout that comfortably hosts up to 8 guests. With upgraded Garmin electronics, new bow thruster motor, and Seastar steering system, the Steel Grove ensures a smooth and confident journey. Recently updated with brand-new galley countertops and equipped with Starlink, this captain-maintained vessel is ready for extended adventures, supported by dual Onan generators and a watermaker. Completed with a 1,000-hour service in 2023, Steel Grove promises a reliable and unforgettable experience on the water.

ABOUT THE BRAND

Hatteras Yachts

There is an undaunted spirit in the Hatteras brand. You can see it in the obsessive work of the men and women who pour their talent and heart into building each legendary vessel. You can feel it in the way the Hatteras hull cuts confidently through waters that lesser boats dare not enter. But more than anything, you can witness it inside the ambitious souls who make Hatteras an expression of their own drive for adventure. Those who are unwilling to compromise and determined to push boundaries. So, for all those who celebrate a life without limits, we welcome you aboard.
