

Yacht Overview

68 Princess

EXPERIENCE M/Y SABLE

West Palm Beach, Bahamas & Caribbean

The Princess 68 spacious flybridge includes a large sunpad, twin helm and a wetbar for on hand refreshment.

On deck she provides ample entertaining space with both cockpit and foredeck seating and an inviting sunbathing area. Out at sea, her exhilarating performance feels light and responsive all the way up to speeds in excess of 30 knots. It's an altogether distinctive experience. Inside, her appeal becomes all the more alluring. An aft-galley layout is perfectly placed to serve the cockpit, with triple sliding doors and an electrically opening aft window. Expansive areas of glass allow light to pour into the saloon, with the helm enjoying raised L-shaped seating to port for a more social journey. The master stateroom has a private stairwell and lobby, whilst guests enjoy a separate stairwell and three class-leading cabins.

ABOUT THE BRAND

Princess Yachts

Princess Yachts established their home in 1965 on the edge of the English Channel in Plymouth, England. Since their inception, Princess' ultimate goal is to meticulously sculpt yachts based on owners' wants and needs. Princess' successful partnership with Moody Yachts in the early 1970's saw them develop nearly 40 new models within their first 30 years of collaboration.
