Bluegame BGX70

## EXPERIENCE M/Y SUGAREE

*Miami, Bahamas & Caribbean*

The 2022 Bluegame BGX70 is a striking luxury yacht that blends cutting-edge design, exceptional performance, and unparalleled comfort. Part of the innovative BGX line by Bluegame, the BGX70 redefines yachting with its unconventional layout and seamless connection to the sea.

The expansive aft deck connects directly to the water, with an integrated swim platform and a spacious lounge area for relaxing or entertaining. Equipped with a deep-V hull and Volvo Penta IPS system for superior maneuverability, fuel efficiency, and a cruising speed of around 25-30 knots.

## ABOUT THE BRAND

*Bluegame Yachts*

Bluegame Yachts is an Italian brand renowned for blending high performance with sleek, sophisticated design. Founded in 2000 by Luca Santella, the company creates versatile yachts with distinctive lines, advanced materials, and a focus on both agility and luxury. Bluegame vessels offer dynamic, adventurous experiences at sea, featuring spacious decks, elegant interiors, and exceptional stability, all while staying true to Italian craftsmanship.
